**Assurance of Accessibility**

Kentucky has elected to meet the federal National Instructional Materials Accessibility Standards (NIMAS) mandates through participation in the **National Instructional Materials Access Center (NIMAC)** – <http://nimac.us> in Louisville, Kentucky. With the passage of the **Individuals with Disabilities Education Act (IDEA)** in 2004, publishers are **required** to submit accessible files in the NIMAS file set format for basal print instructional resources and related print resources with a **text publication date\*\* after July 2006**. A copy of the certificate of validation of accessibility from NIMAC for the NIMAS files must be submitted to the Kentucky Department of Education (KDE).

For basal materials and related resources with a **text publication date\*\* prior to July 2006**, publishers continue to have the option of providing these resources in accessible format in accordance with Accessibility statute [KRS 156.027](#) and regulation [704 KAR 3:455](#). (These files must be approved and accepted by KAMD staff.) In lieu of submitting files to the Kentucky Accessible Materials Database [KAMD] as described in the regulation, a NIMAS file set may be submitted to NIMAC for validation. A copy of the certificate of validation of accessibility from NIMAC for the NIMAS files must be submitted to the Kentucky Department of Education. Publishers choosing to submit files for these items will be identified as having Preferential Procurement Status as described in the applicable bid packet.

**\*\*Text Publication Date [from <http://nimac.us>]**

- This date refers to the date the edition was released to schools or on the market, regardless of its copyright date.
- Use four-digit year for this.
- Often this date will be the same date as copyright date.

**Check the assurance statement that applies to this request for substitution:**

\_\_\_\_\_ **Items have a publication date prior to July 2006.**

\_\_\_\_\_ NIMAS files will be submitted to NIMAC and validation certificates will be submitted to KDE.

\_\_\_\_\_ NIMAS files will not be submitted to NIMAC; therefore no validation certificates will be submitted to KDE.

\_\_\_\_\_ **Items have a publication date after July 2006.** Therefore, NIMAS files will be submitted to NIMAC and validation certificates will be submitted to KDE.

**All NIMAS file sets must be submitted directly to NIMAC according to NIMAC instructions, not to the Kentucky Accessible Materials Database (KAMD). This applies to both pre- and post-August 2006 published items.**
